

FORUM & EXPOSITION
LATINVE&P
2014

March 26-28 | Lima, Peru

Are you looking for
E&P opportunities or
investment partners?

Come to **LATINVE&P**,
be an **agent of change**
in our industry

An innovative programme

A dialogue forum and business exposition focused on the promotion of investment opportunities from governments and companies as well as on the analysis of challenges and search for solutions for business development in oil and gas exploration and production in Latin America and the Caribbean.

Join the forum

- ▶ Get a regional overview of bidding rounds and other E&P opportunities in addition to investment conditions and incentives - directly from government agencies and oil companies.
- ▶ Join top speakers in the analysis of opportunities, strategies, challenges and solutions for upstream business development and access to new hydrocarbon resources.

Exhibit your prospect

Participate of a unique regional marketplace where your organization can promote, offer, evaluate or acquire business prospects and critical resources or services.

Drive your business forward

- ▶ As a government agency or national oil company responsible for E&P sector development and contracts: promote forthcoming bid rounds and other investment opportunities.
- ▶ As a company seeking to offer stakes in E&P prospects or looking for business partners: present and sell your business opportunity among a wide investor audience.
- ▶ As an experienced E&P operator: show your interest in offering your services to non operating investors or to other operating companies complementing your capabilities.
- ▶ As an investor interested in bid rounds or oil companies' business prospects: get a regional overview of opportunities, weigh options and pursue deals.
- ▶ As a technology, resources or services provider: achieve greater regional visibility and market your portfolio of offerings that make E&P projects viable.

Business meetings

To facilitate the development of your business agenda, book a meeting room in advance. A team of executive assistants will be at your service to coordinate contacts.

Who should attend?

- ▶ Corporate executives, managers, business developers and analysts, geologists, geophysicists and professionals from national, international and independent oil & gas companies - with operations or interests in the region's upstream sector.
- ▶ Representatives of government agencies or national oil companies responsible for regulation and for project development and contracts in the exploration and production sector.
- ▶ Executives, managers and professionals from national and international companies providing technology, goods and services to the industry value chain.
- ▶ Partners and executives from banks, investment funds, consulting companies, law firms and others – providing resources and services to the industry upstream sector.
